

**Position:**

Sales/Data Analyst

**Get to Know Us:**

Rudy's Performance Parts was founded in 2008 and we pride ourselves in being the industry leader in automotive performance parts and accessories. Here at Rudy's, we are well known for offering the absolute best customer service and product variety in the automotive world. We treat all of our employees like family and offer a casual work environment that not only encourages your best, but also rewards it with endless room to grow.

- Are you looking for a change?
- Are you looking for a career?
- Are you a problem solver?
- Are you a critical thinker?
- Do you want to be recognized for your hard work?
- Do you want the opportunity to truly love coming to work every day?

If you answered "yes" to any of the questions above, then Rudy's is the place for you!

**What You'll Be Doing:**

- Compile and analyze data over time to forecast sales trends
- Communicate with management team regularly
- Review past sales data to determine trends in productivity
- Prepare accurate reports using data from internal and external sources
- Evaluate third-party data to determine best practices for company success
- Present actionable information and insights to team members and management
- Gather and analyze data in order to understand problems and address them proactively
- Collaborate with team members and members of other departments

**What We're Looking For:**

- Strong planning, organizing and project management skills with focus on meeting deadlines
- Excellent analytical and problem solving skills
- Self-motivated with the ability to prioritize and manage ever-changing priorities
- Excellent verbal and written communication skills
- Ability to daily work cross-departmentally in an even-keeled manner

**Benefits:**

- Casual work environment
- Competitive salary with annual pay raises and annual bonuses based on performance
- Paid vacation, sick, holidays
- Medical, dental, vision insurance options
- 401(k) retirement plan with 4% company match
